08 February 2005

**60th Congress of the
Liga Medicorum Homeopathica Internationalis
4.-7.05.2005, BCC Berlin, Germany**

Dear Prof. Laxmikanta Nanda,

We are contacting you today in regards to your poster presentation during above mentioned congress in Berlin. Please find following some further information.

Posters shall be hung up on Wednesday morning, May 4, 2004 and shall be on display until Saturday, May 7, 2004 in the evening (end of congress). The (guided) Poster Session will take place on Friday, May 6, 2004, 13.30 to 15.00. Please note: poster and presentation have to be in English. You are requested to give a short 2-minute oral summary during the poster session.

As poster boards are 150 cm high and 95 cm wide please prepare your poster 120 x 85 cm, portrait format. The boards are made of hard surface to accept all kinds of tape. The colour of the boards is white. Double sided adhesive tape for fixing the poster will be provided by the organisers. Therefore, you just need to bring your poster with you to Berlin.

We encourage you to bring handouts for delegates to take with them.

Please find enclosed the Final Programme of the congress. If you have not registered yet, please use the attached registration form. For you, as poster presenter, the early fee is still valid, please just indicate poster presenter on the form. Thank you. If you have any questions, please feel free to contact Daniela Eichleitner via email liga2005@interplan.de.

We are pleased to inform you that - due to the high interest in the scientific programme - there are already more delegates registered than anticipated at this point. We very much look forward to welcoming you to Berlin.

Sincerely yours,

Dr. Wolfgang Springer
(President of the LIGA 2005 Congress)
