Dear Prof. Nanda,

You recall, my self and my wife met you at Berhampur during the "National Seminar in Homeopathy" held during 1st week of March 2003. I invited you to visit Visakhapatnam and address our organization - Vintage Visakha on "Efficacy of Homeopathy on Arthritis problems", you readily agreed to do so. Hence I am writing to you.

Our organization Vintage Visakha consists of senior citizens who have retired from various services from all walks of life. A good number of them have Arthritic problem in legs and spine. Since you are a reputed expert and Professor in this field in Homeopathy, I invite you to visit Visakhapatnam and deliver illustrative talk and also give advise to persons who desire to meet you.

As already informed you earlier we ^{are} have not in a position to offer travel expenses, but we will certainly receive you at the station and provide you hotel accommodation and free hospitality during your stay.

I therefore request to kindly reply immediately the date suitable to you to visit Visakhapatnam during May 2003. An early reply will be greatly appreciated.

With regards,

Yours sincerely,

(A.R. SUBRAMANIAM)
President
