Sub: Main Speaker for our seminar on 3.5.2003 on the eve of Dr Hahnemann's Birth Anniversary .

Dear Sir,

We are gratefully thankful to you for your acceptance of being our main speaker for the seminar.

It is our proud privilege to have a renowned and learned speaker like you amongst us. We hope your presence will not only give homoeopaths a boon to have a new look into homoeopathic prescribing, but will also encourage the students of homoeopathy to learn and find the laurels in the ocean of homoeopathy.

We are eagerly waiting for your visit. We are also thankful to your family members for their eagerness to visit us. We request you to have one more programme in the month of Oct-Nov with us in which your family members can also join us and give us the privilege to offer our hospitality.

The seminar will start at 3-30 PM and last about 2 hours.

As a keen student of homoeopathy, we look forward to your visit and lecture with optimism and sincerity.

Thanking you,

Yours faithfully,

Dr Kulwant Singh
